

## **Strategic Initiative - Educational needs of nurse**

### **Goals**

1) Examine credit transfer-

- To explore the state of credit transfer and progression in Ohio;
- To identify existing models and evolving models dealing with credit transfer and progression;
- To facilitate credit transfer and progression from one level of nursing education to another;

2) Review CEU requirements for license renewal to determine effectiveness;

3) To determine essential education for the nurse in 2015;
